

briteair Eggcrate Grille

Suitable for wall or ceiling mounted air extract applications. With a high free area of up to 85%, the Eggcrate Grille is able to handle high volumes of air whilst keeping the grille size to a minimum and noise levels and pressure resistance low.

How to Order

Type	Damper	Frame	Fixings	RAL Colour	
BEC	D - OBD	F - Standard Flange	SF - Flange Holes	300 x 300	RAL 9010
	0 - No OBD		0 - No Flange Holes		

e.g. 10 No BEC - D - F - SF - 250 x 250 - RAL 9010
